

## Did You Know?

- As reported by Feeding America, more than 14,000 residents of Loudoun County are food insecure. This means they often don't know where their next meal is coming from.
- 4 out of 10 food insecure families in Loudoun County are not eligible for government assistance.

The Dulles South Food Pantry, Inc. was founded in 2014 by local community members who recognized that a food pantry was needed in rapidly growing southeastern Loudoun County. The Dulles South Food Pantry is a multi-faith, emergency food pantry. We provide nutritious food, personal supplies and other services to those in need in Dulles South and the surrounding area regardless of income, faith or other criteria and strive to promote self-sufficiency. The Pantry is supported by the local Dulles South Community including faith organizations, businesses, grocery stores, restaurants, schools, service organizations, home owners associations, sports leagues, scout troops, farmers, individuals and families.
